

A lifetime of specialist care

Royal Brompton & Harefield NHS Foundation Trust presents:
**Respiratory Care in
Myotubular Myopathy**

17 January 2018

Details:

A unique educational event aimed at healthcare professionals, carers and patients.

Hear from high-profile experts, including Professor F Muntoni and Professor A K Simonds, on the latest advances in respiratory care for Myotubular Myopathy, gain hands on experience with devices including ventilators, cough assist devices, and tracheostomies, and network with other patients, carers and professionals.

Sessions include:

- **Key-note lectures** from:
 - **Professor F Muntoni**,
Paediatric Neurologist and Director of the Dubowitz Neuromuscular Centre, UCL Institute of Child Health and Great Ormond Street Hospital for Children, in London.
 - **Professor A K Simonds**,
Consultant in respiratory and sleep medicine at Royal Brompton & Harefield NHS Foundation Trust and Professor of respiratory and sleep medicine at the National Heart and Lung Institute, Imperial College London.
- **Case histories**
- **Hands on skills sessions**
- **Patient, family and carer presentations**

9.30am to 5.30pm

Clinical Skills and Simulation Centre
